What you can do with kencom.

kencom (ケンコム) ができること

At Kencom, you can manage your daily health, exchange your accumulated points, and participate in walking events.

kencomでは日々の健康管理をはじめ、貯めたポイントの交換やウォーキングイベントへの参加が可能です。

1 日々の歩数や体重記録によって、ポイントが自動付与される

2 貯めたポイントはギフト券等へ交換できる

3 閲覧履歴から、あなたに合わせた記事をお届け

4 育成ゲームで楽しく、健康に

- ① Points are automatically awarded based on the number of steps taken and weight recorded each day.
- ② Accumulated points can be exchanged for gift certificates etc. (This is part of the menu.)
※In addition to the points awarded by the health insurance, you will also receive Kencom coins that can be used to enter lotteries and play standard games.
- ③ We will deliver articles tailored to you based on your browsing history.
- ④ Fun and healthy growing games
※It's free because it's a standard feature

アプリ登録 Step 1 | kencomアカウント作成

App registration Step 1: Create a Kencom account

CONFIDENTIAL

ブラウザ検索または App Store、Google Playにて「kencom」と検索し、kencomアプリをダウンロード ※会社貸与スマートフォンへのダウンロードはできません

Search for "kencom" in your browser, the App Store, or Google Play, and download the kencom app.
※Downloading to company-provided smartphones is not possible.

- 1 「健康保険・共済組合または会社」を選択
- 2 「団体ID」の入力フォームに保険者番号を入力
- 3 メールアドレスとパスワード(ご自身で設定)を入力
- 4 メールで届いたワンタイムパスワードを入力

- ① Select "健康保険組合・共済組合または会社" (Health insurance association, mutual aid association or company)
- ② Enter your insurer number in "団体ID" (the group ID) entry form. Insurer number: 06630230
- ③ Enter your email address and password (set by yourself). You will be able to log in using your email address and password.
- ④ Enter the one-time password you received by email. Once the check mark appears, your account creation is complete. Proceed to Step 2: Identity Verification.

アプリ登録 Step 2 | 本人確認

App registration Step 2: Identity verification

Identity verification will be performed (first time only).
※You will not be able to exchange points or participate in events without identity verification.

本人確認 (初回のみ) を実施します。
※本人確認を行わないとポイントの交換やイベントへの参加ができません

- 1 kencomアプリにログイン
- 2 メニュー画面から本人確認へ
- 3 画面上の案内に沿って保険証情報を入力
- 4 チェックマークが表示されたら、本人確認完了

- ① Log in to the Kencom app. Log in with the email address and password you set up.
- ② Go to identity verification from the menu screen. メニュー(Menu) > JERA健康保険組合(JERA Health Insurance Association) > 本人確認(Identity Verification)
- ③ Follow the on-screen instructions to enter your health insurance card information.
 - ・ 保険者番号 (Insurer number) : 06630230
 - ・ 記号・番号 (Code and numbers) ; Check here for how to check. (Japanese only) <https://ssl.kenpo-net.jp/how-to-find-his-number/>
 - ・ カナ氏名 (Name in Kana)
 - ・ 生年月日 (date of birth)
 ※You can also find out how to check the code and numbers using the QR code.

④ When the check mark appears, your identity has been verified. You can exchange points from the "使う・貯める"(Use/Save) menu and also participate in walking events.
